EXHIBIT "B"

Case No.: W-07-CR-016(04)

To The Honorable Judge Walter Smith, Jr.:

My name is Rose T. Rangel, I was sentenced by you on April 14, 2008. My projected release date is September 9, 2025.

Since I have been incarcerated I have accomplished many changes in my life. These changes have been brought about through education (See Exhibit "A") and most significantly an attitude change which has been brought about by long-term sobriety and establishing support systems which I will maintain for the rest of my life in order to remain clean and sober. I intend to take this one step further by attending the RDAP Program.

I assure the Court that I will maintain my sobriety and never commit another illegal act as long as I live. Upon my release I plan to manage my family's restaurant.

On July 18th Congress voted Amendment 782 into law, the retro active drug law minus 2. I believe I qualify for this reduction in sentence, as it was designed to give individuals such as my self the opportunity for a second chance. In retrospect I am grateful to the court for the time to realign my priorities and to become the responsible person I was meant to be. Thanks to the court I am able to plan a productive drug-free future.

Thank you for your consideration in this matter before your court.

Sincerely,

  
Rose T. Rangel - In Pro Se
